### Application for Massachusetts Division of Fisheries & Wildlife (MassWildlife) Trap Registration Number

In order to be issued a Massachusetts Division of Fisheries and Wildlife trap registration certificate or certificate of partnership, or trap on land of another, a person must complete a Trapper Education course from any US State and be issued a certificate of completion of such training. A Massachusetts trap registration number is valid for two years and must be renewed biannually.

Pursuant to the provisions of M.G.L. c. 131, § 80 of the Massachusetts General Laws, I hereby apply for:

☐ An initial MassWildlife Trap registration Number. I am a graduate of a Trapper Education course and a copy of my Trapper Education certificate is enclosed. (A State-issued certificate from any US state is accepted)

**NOTE:** Once you obtain your registration number, be sure to label all traps. Traps in your possession and use must have your assigned registration number embedded or cut not less than 1/8 inch high into the trap. All Traps must also have a metal tag attached bearing the owner's name, town, and registration number

☐ A renewal of my MassWildlife Trap Registration Number: \_\_\_\_\_
